

TALKING TO GOD

Your time talking to God should be similar to time spent with a good friend. Leave the fancy words behind – be yourself, relax and talk about the things upon your heart.

Don't know what to talk about? Jesus gave us a prayer list of topics in what is commonly called *The Lord's Prayer*. Talk to God about:

- ✓ **Praise** – tell God what you think about who He is, what He is like, and what He has done for you.
- ✓ **Program** – talk to God about your church and its missionaries.
- ✓ **Provision** – talk to God about the needs you and your friends have.
- ✓ **Pardon** – talk to God about forgiveness for the sins you and your friends have committed.
- ✓ **Protection** – talk to God about protection for you and your friends.

“...Continuing instant in prayer.”
