1. **When did you get saved?** (You may not know the exact date, but you should be able to pinpoint the 'day' of your salvation. Knowing the exact date is not as important as remembering the event. Ex. I got saved when I was about 15. It was during a Sunday morning service around October.)
2. **Where were you when you got saved?**
3. **Who lead you to the Lord?** (Who helped you understand what salvation means and how to receive salvation?)
4. **What circumstances in you life helped you to understand your need for salvation?** (ex. A particular sermon, a trial you were going through, etc.)
